

## FLORIDA ESTATE PLANNING & ELDER LAW

### September 2022

September marks Patriot Day, in remembrance of the 2,977 innocent souls who perished in the terrorist attacks of September 11, 2001. It is traditional to observe a moment of silence on September at 8:46 a.m., when the first plane struck the World Trade Center.

Please note that masks are now *optional* in our offices, per current CDC guidance. Thank you to everyone who has been so diligent about safety protocols during these challenging times. We understand that even now, some people may feel more comfortable if the staff person they meet with wears a mask. Just tell us and we will cheerfully accommodate you. We want every visitor to feel at ease.

Rosh Hashanah - the "head of the year" - ushers in the year 5783 on September 25. We wish our Jewish friends a peaceful new year and *all* our friends the best, always!

### Outdated Beneficiary Designations Can Wreck Your Estate Plan

Most people understand that their estate planning documents require periodic review. But beneficiary-designated assets - bank accounts and insurance policies, for example - are more likely to fall off people's radar as the years go by. Neglecting those assets can be a costly mistake, as this recent case

demonstrates.
